NARRATIVE:

Stanley Dixon is a documented gang member with an extensive adult criminal history that began at the age of 22. His convictions include willful cruelty to a child, terrorist threats, false imprisonment, multiple burglaries, multiple cases of receiving stolen property, grand theft auto, multiple vehicle thefts, attempted auto theft, multiple cases of possession of controlled substances, parole violations and failing to report. He has served multiple state prison terms, the longest being a 4 year term for burglary. Dixon was released from state prison to the supervision of the Los Angeles County Probation Department on October 26, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Dixon qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for receiving stolen property is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
